### NARRATIVE

Narrative: On 06/03/2026 at approximately 21:18 hours, dispatch received a 911 call reporting a two-vehicle collision in the eastbound lanes of I-80 approaching the Bay Bridge. Upon arrival at 21:31, Sgt. Rivera observed Party 1's 2021 Toyota Camry stopped in the #3 lane with moderate rear-end damage. Party 2's 2023 Ford F-150 was stopped approximately 40 feet behind with moderate front-end damage and a deployed driver-side airbag.

Party 1 (Garcia) reported that traffic ahead had slowed for construction signage. She had come to a complete stop when she was struck from behind. Party 1 reported neck and shoulder pain at the scene and declined ambulance transport but stated she would seek medical evaluation. Party 2 (Whitaker) admitted to looking down at his phone immediately prior to impact and stated he 'didn't see the traffic stopping.' Whitaker was issued a citation under CVC 22350.

Both vehicles were drivable but towed at the request of the involved parties. Photographs of the scene, vehicle damage, and final rest positions were captured by Officer Tanaka, Badge 31092. No third-party witnesses came

forward at the scene.

## **INJURIES**

Party 1 (Garcia): Reported neck pain, upper back stiffness. Refused on-scene transport. Advised to seek same-day urgent care evaluation.

Party 2 (Whitaker): No reported injury. Airbag deployment noted.

I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Sgt. M. Rivera,
